PHILIPS

Saeco

sense and simplicity

Highlights

Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

Ceramic grinders

The high-tech grinders of this coffee machine beat the competition's steel grinders on many levels: always perfectly Italian taste because of consistently accurate grinding without overheating, supreme longevity, super-silent operation.

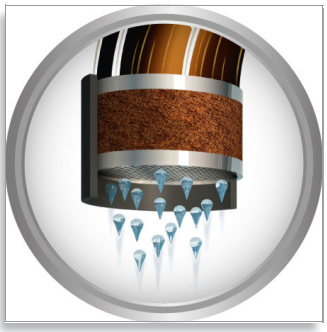
Energy efficient

This feature keeps the power consumption to a minimum. In fact, less than 1 Watt per hour is needed in stand-by mode, automatic after 1hour, saving resources and money

Espresso and long coffe

Whether you want to enjoy a an espresso or a long coffee - your favorites are accessible with a touch of a button

Pre-brewing system



Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

Color coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are colored according to the thrafflic light colors: Red requires action, Yellow means the coffee machine is "busy" (like heating up). Green is ready to use.

Wide and bright LED display

Let the Saeco espresso machine drive your Espresso experience and enjoy direct and clear interaction with it. The customization and maintenance menu allows you to set coffee intensity, descaling cycle guided process, water hardness, water filter installation, Stand-by time and display contrast.
